

MED MASTERY PROGRAMS

CORE Courses

All MED U Mastery Programs begin with **CORE** courses. These are the courses that all programs have in common, in the same order and with the same focus – a great foundation. Note: **CORE** courses are in **red**!

CORE Courses

Mastery Program CORE Courses (in all Mastery Programs)

MST028 – CORE Rehab (22 Hours)

MST029 – CORE Respiratory (22 Hours)

MST030 - CORE Rehab & Respiratory

HME 105 – An Overview of HME and Its Players	2
CS 101 – Quality Customer Service	2
HME 401 - Respect, Confidentiality and Patient Rights	1
HME 410 – The HIPAA Privacy Rule (Including HITECH)	1
PPD 105 – Professionalism – The External	2
HME 104 – An Overview of Reimbursement & Managed Care	2
CS 106 – Customer Service Fast Facts	3
HME 310 – Equipment-General DME-HME	2
HME 311- Rehab Equipment*	1
HME 312 – Respiratory Equipment**	1
CS 102 – Telephone Courtesy and Customer Service	2
PPD 102 – Dealing with Conflict and Difficult People	2
PPD 104 – Professionalism – The Internal	2
Total Comprehensive CORE Hours	23

*Only in Rehab Mastery Programs

**Only in Respiratory Mastery Programs

Comprehensive Mastery Programs (Respiratory & Rehab)

MST001 - HME Professional Rehab (No HME312) (38 Hours)

MST002 - HME Professional Respiratory (No HME311) (38 Hours)

MST003 - HME Professional Rehab & Respiratory

Mastery Program Rehab CORE Courses	23* **
HME 408 – Compliance in the HME Industry: Medicare	2
HME 103 – Understanding Medicare and Medicaid	1
HME 403 – Ergonomics in the Office	1
PPD 301 – Business Writing	2
CS 103 – Grief: It's Impact on Your Customers and You!	2
HME 202 – Pediatric Onset Diseases & Disabilities	2
HME 203 – Early Adult Onset Diseases & Disabilities	1
HME 204 – Later Adult Onset Diseases & Disabilities	2
HME 205 – Sudden Onset Diseases & Disabilities	1
HME 206 – Respiratory Diseases	2
Total Comprehensive Hours	39

MST004 – HME Warehouse Professional Rehab (No HME312) (36 Hours)

MST005 - HME Warehouse Professional Respiratory (No HME311) (36 Hours)

MST006 - HME Warehouse Professional Rehab & Respiratory

Mastery Program Rehab CORE Courses	23* **
HME 404 – Ergonomics – Warehouse and Delivery	1
HME 405 – Hazardous Materials	1
HME 402 – Infection Control	2
CS 103 – Grief: It's Impact on Your Customers and You!	2
HME 202 – Pediatric Onset Diseases & Disabilities	2
HME 203 – Early Adult Onset Diseases & Disabilities	1
HME 204 – Later Adult Onset Diseases & Disabilities	2
HME 205 – Sudden Onset Diseases & Disabilities	1
HME 206 – Respiratory Diseases	2
Total Comprehensive Hours	37

MED U MASTERY PROGRAMS

MST007 – Customer Service Representative Rehab (No HME312) (43 Hours)

MST008 - Customer Service Representative Respiratory (No HME311) (43 Hours)

MST009 - Customer Service Representative Rehab & Respiratory

Mastery Program Rehab CORE Courses	23* **
HME 408 – Compliance in the HME Industry: Medicare	2
HME 103 – Understanding Medicare and Medicaid	1
REM 101 – Reimbursement: Orders and the Intake Process	3
SALES 106 – Telephone Sales	2
HME 403 – Ergonomics in the Office	1
HME 202 – Pediatric Onset Diseases & Disabilities	2
HME 203 – Early Adult Onset Diseases & Disabilities	1
HME 204 – Later Adult Onset Diseases & Disabilities	2
HME 205 – Sudden Onset Diseases & Disabilities	1
HME 206 – Respiratory Diseases	2
CS 103 – Grief: It's Impact on Your Customers and You!	2
CS 104 – Taking the Customer's Perspective	2
Total Comprehensive Hours	44

MST010 – Billing (Reimbursement) Specialist Rehab (No HME312) (46 Hours)

MST011 - Billing (Reimbursement) Specialist Respiratory (No HME311) (48 Hours)

MST012 - Billing (Reimbursement) Specialist Rehab & Respiratory

Mastery Program Rehab CORE Courses	23* **
HME 408 – Compliance in the HME Industry: Medicare	2
HME 103 – Understanding Medicare and Medicaid	1
HME 403 – Ergonomics in the Office	1
REM 101 – Reimbursement: Orders & The Intake Process	3
REM 102 – Reimbursement and Documentation	3
REM 103 – Reimbursement: Billing & Coding	3
REM 104 – Reimbursement: Accounts Receivable Management and Collections	3
CS 103 – Grief: It's Impact on Your Customers and You!	2
HME 202 – Pediatric Onset Diseases & Disabilities	2
HME 203 – Early Adult Onset Diseases & Disabilities	1
HME 204 – Later Adult Onset Diseases & Disabilities	2
HME 205 – Sudden Onset Diseases & Disabilities	1
HME 206 – Respiratory Diseases (only in Comprehensive and Respiratory)	2
Total Comprehensive Hours	49

MST013 – Driver/Delivery Technician Rehab (No HME312) (41 Hours)

MST014 - Driver/Delivery Technician Respiratory (No HME311) (51 Hours)

MST015 - Driver/Delivery Technician Rehab & Respiratory

Mastery Program Rehab CORE Courses	23* **
CS 107 – Common Courtesy and Professionalism in the Home	1
DDT 101 – Driver/Delivery Technician Fast Facts	3
DDT 102 – Infection Control – Video	2
DDT 103 – Home & Environment Assessment	2
DDT 121 – Manual Wheelchairs (only in Comprehensive and Rehab)	1
DDT 131 – Comprehensive O2 Service (only in Comprehensive and Respiratory)	3
DDT 132 – Patient Education and Instruction – Respiratory Equipment (only in Comprehensive and Respiratory)	3
DDT 133 – Oxygen Transport and Tracking (only in Comprehensive and Respiratory)	3
HME 404 – Ergonomics – Warehouse and Delivery	1
HME 405 – Hazardous Materials	1
CS 103 – Grief: It's Impact on Your Customers and You!	2
HME 202 – Pediatric Onset Diseases & Disabilities	2
HME 203 – Early Adult Onset Diseases & Disabilities	1
HME 204 – Later Adult Onset Diseases & Disabilities	2
HME 205 – Sudden Onset Diseases & Disabilities	1
HME 206 – Respiratory Diseases & Disabilities (only in Comprehensive and Respiratory)	2
Total Comprehensive Hours	53

MED U MASTERY PROGRAMS

MST016 – Service & Repair Technician Rehab (No HME312) (52 Hours)

MST017 - Service & Repair Technician Respiratory (No HME311) (56 Hours)

MST018 - Service & Repair Technician Rehab & Respiratory

Mastery Program Rehab CORE Courses	23* **
CS 107 – Common Courtesy and Professionalism in the Home	1
DDT 102 – Infection Control - Video	2
DDT 121 – Manual Wheelchairs	2
HME 404 – Ergonomics – Warehouse and Delivery	1
HME 405 – Hazardous Materials	1
MRT 101 – Multimeters	2
MRT 201 – Power Wheelchair Basics (only in Comprehensive and Rehab)	2
MRT 202 – Wheelchair Batteries (only in Comprehensive and Rehab)	2
MRT 203 – Power Wheelchair Preventive Maintenance And Troubleshooting (only in Comprehensive and Rehab)	1
MRT 204 – Power Wheelchair Electronics And Theory Of Operation (only in Comprehensive and Rehab)	4
MRT 205 – Power Wheelchair Repair: Drivetrain Components (only in Comprehensive and Rehab)	2
DDT 131 – Comprehensive O2 Service (only in Comprehensive and Respiratory)	3
DDT 132 – O2 Patient Education & Instruction (only in Comprehensive and Respiratory)	2
DDT 133 – O2 Transport & Tracking (only in Comprehensive and Respiratory)	3
MRT 301 – Introduction To Respiratory Repair (only in Comprehensive and Respiratory)	1
MRT 302 – Basics Of Compressors (only in Comprehensive and Respiratory)	2
MRT 303 – Oxygen Concentrators (only in Comprehensive and Respiratory)	3
MRT 304 – Aerosol Machines & Suction Machines – Troubleshooting And Repair (only in Comprehensive and Respiratory)	1
CS 103 – Grief: It's Impact on Your Customers and You!	2
HME 206 – Disabilities and Diseases – Respiratory	2
HME 202 – Pediatric Onset Diseases & Disabilities	1
HME 203 – Early Adult Onset Diseases & Disabilities	2
HME 204 – Later Adult Onset Diseases & Disabilities	1
HME 205 – Sudden Onset Diseases & Disabilities	2
Total Comprehensive Hours	68

MST019 – Sales Rehab (No HME312) (54 Hours)

MST020 - Sales Respiratory (No HME311) (55 Hours)

MST021 - Sales Rehab & Respiratory

Mastery Program Rehab CORE Courses	23* **
HME 408 – Compliance in the HME Industry: Medicare	2
HME 103 – Understanding Medicare and Medicaid	1
Sales 101 – Basics	2
Sales 102 – Knowledge	2
Sales 103 – Sales Planning	3
Sales 104 – Prospecting	1
Sales 105 – Sales Calls	3
Sales 106 – Telephone Sales	2
PPD 301 – Business Writing	2
DDT 121 – Manual Wheelchairs (only in Comprehensive and Rehab)	2
MRT 201 – Power Wheelchair Basics (only in Comprehensive and Rehab)	2
DDT 132 – Patient Education and Instruction – Respiratory Equipment (only in Comprehensive and Respiratory)	3
HME 202 – Pediatric Onset Diseases & Disabilities	2
HME 203 – Early Adult Onset Diseases & Disabilities	1
HME 204 – Later Adult Onset Diseases & Disabilities	2
HME 205 – Sudden Onset Diseases & Disabilities	1
HME 206 – Respiratory Diseases (only in Comprehensive and Respiratory)	2
CS 103 – Grief: It's Impact on Your Customers and You!	2
CS 104 – Taking the Customer's Perspective	2
Total Comprehensive Hours	60

MED U MASTERY PROGRAMS

MST022 – Foundation for Management Rehab (No HME312) (42 Hours)

MST023 - Foundation for Management Respiratory (No HME311) (42 Hours)

MST024 - Foundation for Management Rehab & Respiratory

Mastery Program Rehab CORE Courses	23* **
HME 408 – Compliance in the HME Industry: Medicare	2
HME 103 – Understanding Medicare and Medicaid	1
HME 402 – Infection Control	2
HME 406 – Safety and Readiness at the Worksite	1
HME 407-Preventing Sexual Harassment	1
HME 403 – Ergonomics in the Office	1
PPD 301 – Business Writing	2
CS 103 – Grief: It's Impact on Your Customers and You!	2
HME 206 – Disabilities and Diseases – Respiratory	2
HME 202 – Pediatric Onset Diseases & Disabilities	1
HME 203 – Early Adult Onset Diseases & Disabilities	2
HME 204 – Later Adult Onset Diseases & Disabilities	1
HME 205 – Sudden Onset Diseases & Disabilities	2
Total Comprehensive Hours	43

MST025 - Foundation for Clinical - Rehab

Mastery Program Rehab CORE Courses	22
CS 107 – Common Courtesy and Professionalism in the Home	1
DDT 103 – Home & Environmental Assessment – video	2
DDT 121 – Manual Wheelchairs	2
MRT 201 – Power Wheelchair Basics	2
HME 402- Infection Control	2
HME 408 – Compliance in the HME Industry: Medicare	2
HME 103 – Understanding Medicare and Medicaid	1
HME 403 – Ergonomics in the Office	1
PPD 301 – Business Writing	2
CS 103 – Grief: It's Impact on Your Customers and You!	2
HME 202 – Pediatric Onset Diseases & Disabilities	2
HME 203 – Early Adult Onset Diseases & Disabilities	1
HME 204 – Later Adult Onset Diseases & Disabilities	2
HME 205 – Sudden Onset Diseases & Disabilities	1
Total Comprehensive Hours	35

MST026 - Foundation for Clinical - Respiratory

Mastery Program Rehab CORE Courses	22
CS 107 – Common Courtesy and Professionalism in the Home	1
DDT 103 – Home & Environmental Assessment – video	2
DDT 132 – Patient Education and Instruction – Respiratory Equipment	3
HME 402- Infection Control	2
HME 408 – Compliance in the HME Industry: Medicare	2
HME 103 – Understanding Medicare and Medicaid	1
HME 403 – Ergonomics in the Office	1
PPD 301 – Business Writing	2
CS 103 – Grief: It's Impact on Your Customers and You!	2
HME 203 – Early Adult Onset Diseases & Disabilities	1
HME 204 – Later Adult Onset Diseases & Disabilities	2
HME 206 – Respiratory Diseases & Disabilities	2
Total Comprehensive Hours	43

MST032 – RESNA Pre-ATP®

Mastery Program Rehab CORE Courses	22
CS 107 – Common Courtesy and Professionalism in the Home	1
DDT 103 – Home & Environmental Assessment – video	2
DDT 121 – Manual Wheelchairs - video	2
MRT 201 – Power Wheelchair Basics	2
HME 402- Infection Control	2
HME 408 – Compliance in the HME Industry: Medicare	2

MED U MASTERY PROGRAMS

MST032 Continued	
HME 103 – Understanding Medicare and Medicaid	1
HME 403 – Ergonomics in the Office	1
PPD 301 – Business Writing	2
CS 103 – Grief: It's Impact on Your Customers and You!	2
HME 202 - Pediatric Onset Diseases & Disabilities	2
HME 203 – Early Adult Onset Diseases & Disabilities	1
HME 204 – Later Adult Onset Diseases & Disabilities	2
HME 205 - Sudden Onset Diseases & Disabilities	2
RTS 101 – The Role of the RTS and Rehab Companies	2
REM 201 – Funding Assistive Technology Services and Systems	5
RTS 201 – Anatomy and Physiology for Rehab	3
RTS 202 - Terminology and Biomechanics Related to Seating and Positioning	1
RTS 203 - Positioning Goals & Assistive Technologies for Positioning Effectiveness	2
RTS 204 - Proper Seating and Positioning - Evaluation and Application	2
RTS 205 – An Overview of Pressure Ulcer Prevention and Management	3
RTS 206 – Power Mobility Under Medicare	2
RTS 301 - Introduction and Overview of Assistive Technologies	1
RTS 302 - A Framework for Assistive Technologies	1
RTS 303 - The Disabled User of Assistive Technologies	1
RTS 304 - Delivering Assistive Technologies Services to the Consumer	1
RTS 305- Seating Systems as Extrinsic Enablers Pressure Management	1
RTS 306 - Control Interfaces for Assistive Technology	2
RTS 307 - Computers as Extrinsic Enablers for Assistive Technologies	1
RTS 308 - Augmentative and Alternative Communication Systems	2
RTS 309 - Technologies the Enable Mobility and Control of the Environment	1
RTS 310 - Sensory Aids for Persons with Visual or Auditory Impairments	1
RTS 311 - Assistive Technologies in the Context of the Classroom and Work	1
RTS 400 - Comprehensive Review for the RESNA Exam	4
Total Comprehensive Hours	83

MST033 – RESNA ATP® Quick Study

HME 311 – Rehab Equipment	1
HME 202 - Pediatric Onset Diseases & Disabilities	2
HME 203 – Early Adult Onset Diseases & Disabilities	1
HME 204 – Later Adult Onset Diseases & Disabilities	2
HME 205 - Sudden Onset Diseases & Disabilities	2
DDT 121 – Manual Wheelchairs - video	2
MRT 201 – Power Wheelchair Basics	2

RTS 302 - A Framework for Assistive Technologies	1
RTS 303 - The Disabled User of Assistive Technologies	1
RTS 304 - Delivering Assistive Technologies Services to the Consumer	1
RTS 305- Seating Systems as Extrinsic Enablers Pressure Management	1
RTS 306 - Control Interfaces for Assistive Technology	2
RTS 307 - Computers as Extrinsic Enablers for Assistive Technologies	1

MED U MASTERY PROGRAMS

MST037 Continued	
RTS 308 - Augmentative and Alternative Communication Systems	2
RTS 309 - Technologies the Enable Mobility and Control of the Environment	1
RTS 310 - Sensory Aids for Persons with Visual or Auditory Impairments	1
RTS 311 - Assistive Technologies in the Context of the Classroom and Work	1
RTS 400 - Comprehensive Review for the RESNA Exam	4
Total Comprehensive Hours	37

MST038 – RESNA Pre-ATP® Quick Study (Fundamentals of Assistive Technology Ed. 4)

ATP 101 - Introduction to RESNA and the ATP	0
ATP 102 - Clinical Fundamentals	3
ATP 103 - Professional Conduct and Public Policy	2
ATP 201 - Assessment	2
ATP 202 - Accessing the Technology	2
ATP 301 - Positioning	3
ATP 302 - Mobility	2
ATP 303 - Augmentative and Alternative Communication	1
ATP 401 - Computer Access	1
ATP 402 - Electronic Aids to Daily Living	1
ATP 403 - Sensory	2
ATP 400 - Comprehensive Review for the RESNA Exam	4
Total Comprehensive Hours	23

MST040 – RESNA Accepted for ATP® Continuing Education # (Not for ATP Candidate Work)

HME 310 – Basic DME/HME	3
HME 311 – Rehab Equipment	1
MRT 201 – Power Wheelchair Basics	2
MRT 202 – Wheelchair Batteries	2
MRT 203 – Power Wheelchair Preventive Maintenance And Troubleshooting	1
MRT 204 – Power Wheelchair Electronics And Theory Of Operation	4
MRT 205 – Power Wheelchair Repair: Drivetrain Components)	2
REM 201 – Funding Assistive Technology Services and Systems	5
Total Comprehensive Hours	20

For students that already have passed their RESNA ATP® exam and are seeking re-certification hours

MST051 – Operations Professional Rehab (No HME312) (60 Hours)

MST052 - Operations Professional Respiratory (No HME311) (38 Hours)

MST050 - Operations Professional Rehab & Respiratory

Mastery Program Rehab CORE Courses	23* **
HME 105 – An Overview of HME and Its Players	2
HME 310 – Basic DME/HME	3
HME 410 – The HIPAA Privacy Rule Including the HITECH Act	1
HME 407 - Sexual Harassment	1
HME 406 – Office Safety	1
HME 403 – Ergonomics in the Office	1
HME 404 – Ergonomics in the Warehouse: Back Safety	1
HME 416 – Emergency Preparedness – Fire Prevention Plan	1
CS 104 – Taking the Customer's Perspective	2
HME 414 – Recognizing and Responding to Abuse	2
PPD 201 – Stress V. You – Winning the Battle	3
PPD 101 – Better Communication in the Workplace	2
PPD 102 – Dealing with Difficult People	2
MGT 104 – Managing Conflict in the Workplace	2
HME 418 – Emergency Preparedness – Workplace Violence Prevention	2
MGT 103 – Leadership – Management - Motivation	2
HME 415 – Emergency Preparedness – An Emergency Action Plan	2
HME 417 – Emergency Preparedness – Disaster and Business Recovery Planning	2
MGT 301 – Business Planning	2
MGT 302 – Managing By the Numbers	3
HME 311 – Rehab Equipment (only in Comprehensive and Rehab)	1
HME 312 – Respiratory Equipment (only in Comprehensive and Respiratory)	1
Total Comprehensive Hours	62
